September 2018

Celebration in the Park & Dundee Motor Show 2018 The decision to cancel last month was made with very heavy hearts. Sadly, great weather deserted us on the day and to have continued the event in the continuous heavy rain would have been a serious health and safety issue for both participants and visitors. Keeping positive, we are already making plans for next year's event.

Festive Doggy Walk and Fair, Sunday 18th November 2018 is a fun family event. Starting at 11am until 2.30pm in Baxter Park there will be dog related stalls, craft stalls plus much, much more in the Stone Pavilion, Glass Building and in the park. Dress your dog up for a festive photo. Walk starts at 12 noon!

Charity Quiz Night, Fri 28 September 6.30 for 7pm tickets £5, from Boomerang Community Centre, Kemback Street, T 01382 455656.

Open Close Tours Is a series of street art trails, created by local artists. Find out more at 'openclosedundee.co.uk' or on Facebook.

Neighbourhood Hub The former Doctors' Surgery on Albert Street, could become a hub for the community. What kind of services would you like to have?

We are talking to Dundee City Council about how we can improve Albert Street, what you think the Street needs?

Baxter Park The Forum are meeting with Dundee City Council to discuss improvements. Would you like to see happen in the park? Improved lighting, better disabled access, footpaths renewed ……?

Defibrillators, would you know where to find one in the area if you needed to? We don't know so you need to tell us so we can share. It could make the difference between saving a life or …. not.

Stobswell Forum is a place for residents to get involved in the community. Please come along to one of our Open Meetings, our next is 9 October 2018 at 6.30pm.
Please let the Stobswell Forum know your suggestions/opinions about any of the above or other matters you wish to raise.
