STOBSWELL FORUM

WELCOME TO BAXTER PARK-CELEBRATION IN THE PARK 2018

Stobswell Forum meet monthly and welcome new members. Here is a taste of what was discussed at the latest Stobswell Forum meeting:

1. Developments in the **Ellengowan** area and its effect on the residents.

2. The proposed housing development in **Langlands St**. If you have any views, please get in touch.

3. **Albert St** has many empty shops. What would you like to see in these spaces and how can we fill them? We would welcome your suggestions.

4. There are ideas to turn the former Doctors' Surgery in Albert St into a **Community Hub**. Can you help? What does Stobswell need? What do the residents want? We want to know your views.

5. **Traffic** in Albert St. Is this something you have a view on? Does it affect you? Please let us know.

6. Parking in the area. **Parking Permits**, are they the answer for Stobswell or is something else needed? Tell us what you think.

7. **Anti-Social Behaviour** can cause extreme distress. We plan to hold an Open Meeting where YOU can take part in discussions with the Council on what's being done and what needs to be done.

8. Christmas will soon be upon us, wouldn't it be great to avoid the town centre and shop locally? Butchers, Bakers and Beauty Salons abound in Stobswell. The local Event's Group have some ideas to bring the Festive spirit to Stobswell. Contact Stobswell Forum if you'd like to get involved.

So, there you have it, a brief look at what has Stobswell Forum's attention. If you're interested in any of the above or have something that is affecting you that you think the Forum might help with, please get in touch.

Live well, do well, Stobswell
