June 2019—Stobswell Forum's NewsFlash

Baxter Park - Celebration in the Park returns on Sunday 11th August 2019. It's a large family gala day with live music, a carnival and lots of activities for everyone. There are just a few spaces left for stall holders/traders. If you would like to come and be a part of the event do get in touch soon.

Stobswell Voice community newsletter is due for circulation through doors in the community late July. If you have an article you might want included or your business could do with some publicity let us know. Previous copies are on the Stobswell Forum website.

We are continuing to have discussions on the future of **Albert Street** and what we can all do to revitalise our main shopping street. We're very open to new ideas, so get in touch if you've any thoughts.

The Dundonald Street project is getting there, with the first of the new security entry systems scheduled to be installed in late summer. We haven't made progress as quickly as we had hoped but we are learning many important lessons for future projects. Watch this space...

The Stobswell Forum are your community group. We're a charity, run by locals for locals. We run events, champion issues affecting the neighbourhood and try to make real changes happen.

We're volunteers, many of us working full-time jobs, so we're always keen to have more people. If you want to **get involved** why not come along to one of our meetings? You can meet new people, gain new skills and make a difference in Stobie. Our next meet is in Arthurstone Library on Tuesday 6 August at 18.15. You can reach us by phone, email or social media too - our details are down below.
